CREAM OF NEWS.

A Three Month's Job.

William Yancey, a Christian country negro, was sentenced to three months in the Montgomery county, Tenn. work-house, for assaulting his master, John W. P. Winfree.

Forbes & Bro. have been running only eight hours a day for some time.

John Mason, of Union county, has "caught on" as a gauze in the news service.

John Cannon, son-in-law of Mr. Green Hancock, formerly of this county, but now of Louisville, has been in the hospital. He had been an employee of the E. & T. R. railroad and received injuries in a recent wreck, which are said to have caused his death.

Got Forty-Five Days.

Geo. Cannon, a negro boot black, was given forty days in the county jail for breaking Saturday, October 21, last night. Several from this city attended.

One Master safe, one Ribbon case, eight counters and one store for sale cheap.

A. A. Merz.

Mr. C. A. Brasher has moved to his new residence on Walnut street, which he recently purchased from Mr. Frank Waller.

To-day's paper is signed ahead of time to let the boys have a little taste of Christmas. It has been a great success.

W. H. Lyons has missed an issue from any cause.

There is a great deal of sickness throughout the city. Colds, grippe, other sores and pains are prevalent everywhere, though there are but few very serious cases of illness reported.

Robards, a railway station ten miles south of Henderson, has brought suit against the L. & N. for damages caused by the explosion of a switch in the little village.

Rob. Hodges, dealer in dry goods and family groceries, Edgerton, made an assignment last week for the benefit of his creditors. Bulk business and poor collections are given as the cause.

For a week preceding Christmas was even as a spell of snow as was ever seen in this climate. The more about all did a good business, though the "flush times" of a year ago were not repeated.

A theatre party Monday night, a meeting at Mr. Lyman C. Tupper's Tuesday night, a meeting at Mr. W. Long's Wednesday night and the Burnett-Petree wedding Thursday night are among the principal social events for this week.

All of these are of course taking holiday this week. Better and more college "let out" Thursday and Friday, and the schools are closed all day. All will resume next Monday excepting South Kentucky, which opens up Tuesday.

Gov. Brown has remitted the fine of \$100 assessed against Charley Meyers in the Circuit Court about a year ago. Meyers was fined for shooting at Henry Drexler, but the facts proved to the Governor that the shooting was not malicious, but accidental.

A new kind of beer, made of the extract of rice, is being brewed, and has a very peculiar effect. It is claimed that sometimes a week after drinking it before it causes any exhilaration; but it is finding quite a market, and is quite staggering. None has been offered on our market yet.

The last meeting of the Council will be held Friday night to dispose of unfinished business. During the year there have been 33 meetings of the Board, which at \$1.50 per meeting makes the compensation of each of the seven Councilmen \$31.50 for the year. However the compensation will be \$250 for each meeting.

The Model Store, in the building in which the verdict for \$500 damages was rendered in the Superior court last week Judge Kelly and Capt. Jno. C. Dahney, Mrs. Exall's attorneys, at Cadiz, have prepared a motion for a rehearing, requesting the entire tribunal to preside in the contest.

The Carrier Boys.

The Hopkinsville News and Courier, Main Street, has been dissolved by its owner, George H. Johnson.

The remaining partner, A. C. Overhiser, will continue the business at the same address.

Geo. H. Johnson, A. C. Overhiser.

No Trial on Tobacco.

Edward Young has filed suit against the O. V. R. R. Co., for \$500 damages for injuries sustained by a fall from one of their passenger cars, while standing on the platform as the train was passing the station, and when the air brakes were applied they refused to work. The train gave a lurch as it passed the station and Young fell to the ground and was slightly stunned, up as well as hurt internally.

The jury failed to agree.

The jury which tried Chas. Johnson at Eddyville last week was discharged, as they were unable to agree.

Johnson killed John Cox at Lanesboro last Christmas.

He was arrested and put in jail at Eddyville, but escaped. He then surrendered and spent almost a year in the Princeton jail. The trial will come up again at the May term of the court.

It is understood that ten of the jury were for conviction and ten for acquittal.

The Carrier Boys.

The Carrier Boys, Willis and Wilbur Boyd, will present a neat Christmas Address with the usual great care and toil of the boys.

John Cook, of Covington, in which the verdict for \$500 damages was rendered in the Superior court last week Judge Kelly and Capt. Jno. C. Dahney, Mrs. Exall's attorneys, at Cadiz, have prepared a motion for a rehearing, requesting the entire tribunal to preside in the contest.

The Carrier Boys.

Dr. Achille Callaway, a prominent physician, while suffering from indigestion took six grains of strichnine last Tuesday at his home near Frankfort. He had taken the drug to quiet his life and did not intend to be taken ill. He had a severe attack of indigestion, as he wanted to die.

Dr. Callaway was once confined in the asylum here and his parents once lived in this county, having moved to Virginia 75 years ago.

Gold Roberts.

Lizzie Smith, a negro woman hailing from Nashville, claims to have robbed of her purse Thursday evening. She had just made some purchases. She had been to the drug store and had started up Main street.

There will be given a grand social hop at Hotel Ky., on Friday evening, Dec. 21, at 8 P.M. A large number of invites have been issued by the committee on invitation, Messrs. Jno. White, Claude Fox and F. W. A. Tuck in Mason's right with 15 additional guests.

Mr. P. Barnes will be celebrated on Christmas Day.

The bridal party of a couple of weeks and usher and bridesmaid will be entered in the church on Christmas Day, after the church service.

It is a "dead" and shape having triduenes.

FARMERS IN FOREIGN LANDS.

The refuse of sugar canes can be used in making paper, which should enable sugar planters to get a better return for their product, and should prove manufacturing being simple and inexpensive.

This year's sisal crop has been heavy throughout the British Empire, and the fruit is quite equal to the average in size and somewhat above it in quality, and should manufacturing be simple and inexpensive.

The cotton crop in Great Britain and the fruit is quite equal to the average in size and somewhat above it in quality, and should manufacturing be simple and inexpensive.

WHEAT: The past twenty years the wheat crop in Great Britain has decreased by 1,600,000 acres, and that planted to barley by 300,000 acres, while the acreage of oats has only increased by 400,000 acres.

Medicis Science Advancing—Old Ideas Disproved—The National Sanitarium Will be located at Nashville—Dr. Reynolds interviewed at their Office on Spruce Street.

I believe the Electrope is to be the most valuable of all the new apparatus in the other rheumatism, and the results have been perfectly wonderful.

Richard H. Whelan, Bartowton, Ky.

I have used the Electrope in my family, from my young wife, 21, to my old mother, 75, and with the happiest results in all cases. Several of my neighbors have the same disease, and I believe should have a cure. F. M. Callahan, Verona, Ky.
